

KSM RACING MEDIA KIT

Kseniia Miliaeva | June 2026

Driver profile

I am Kseniia Miliaeva, a 15-year-old Advanced Race Academy driver focused on race craft, consistency and long-term development in indoor and outdoor rental karting.

I am building a positive youth motorsport story with regular race-day content, branded visuals and audience-friendly updates for partners.

Partner value

- Website visibility and social mentions through season updates
- Race-day photos, short videos and branded content
- Positive local story tied to youth development and women in motorsport
- Flexible support options from event-based to long-term partnerships

Current focus

- Cleaner overtaking decisions and better race management
- Outdoor karting experience and consistency under pressure
- Steady pace progression through coaching and data-driven practice
